

FAMILY REUNION BINGO

"So you work in infosec? What's my password then?"	"Can't you just hack it?", when you ask for the WiFi code	"If you're a hacker, why don't you just... <anything illegal>"	Someone brags about how "secure" their business is
Someone starts quoting Mr. Robot.	"Shouldn't you be wearing a hoodie instead of a suit?"	Someone mentions "the dark web"	Someone shows a phishing mail they've received
"Can you fix my computer?"	Someone mentions Russian or Chinese hackers	"Do you work for Anonymous?"	"Hello HackerOne, where is HackerTwo?"
"How can hacking be ethical?"	"Please don't hack me" when someone takes their phone.	"Can you please hack my ex?"	Someone asks what the "best" antivirus is
